In a span of thirty years, four kings lost their thrones, countless men lost their lives on the battlefield or their heads on the block, and others found themselves suddenly flush with gold. The Wars of the Roses tore England asunder, yet until now, almost nothing has been known about the ordinary people who lived through this extraordinary time. Drawing on an incomparably rare trove of letters discovered in a tumbledown stately home, historian Helen Castor reconstructs the lives of the Paston family, who singlemindedly worked

their way up from farmers to landed gentry. As they went about their business in a disintegrating society, the Pastons corresponded on topics ranging from politics to love, from shopping to family gossip. A wife writes her husband that she'd rather have him home than have a new gown, "even if it were scarlet." A brother reports that the handless servant, Thomas Stumps, has demanded a crossbow so that he can defend them in a siege. Five hundred years later, these voices still have the immediacy of a conversation overheard on a street corner. *Blood and Roses* is a gripping and intimate biography of a family, which traces three generations of births, marriages, and deaths. Castor unravels the story of the family's turbulent affairs against the backdrop of

When Zeth's employer decides buying and selling kidnapped women is a lucrative sideline, Zeth's usually uncomplicated life suddenly becomes very complicated indeed. And his biggest complication goes by the name of Sloane Romera. As a trauma doctor at St. Peter's Hospital, Sloane's finger is hardly on the pulse of Seattle's underground crime scene. Her sister is missing and she needs to find her, yet all doors leading into the seedy world of human trafficking are firmly closed in Sloane's face. She needs information. What she really needs is help...and help presents itself in the most unlikely of forms. Zeth Mayfair is terrifying, scandalously hot, and
