Mexico City Blues is a poem published by Jack Kerouac in 1959 composed of 242 "choruses" or stanzas. Written between 1954 and 1957, the poem is the product of Kerouac's spontaneous prose, his Buddhism, and his disappointment at his failure to publish a novel between 1950's *The Town and the City* and 1957's *On the Road*.

### Mexico City Blues - Wikipedia

Mexico City Blues [113th Chorus] Jack Kerouac - 1922-1969 Got up and dressed up and went out & got laid Then died and got buried in a coffin in the grave, Man— Yet everything is perfect, Because it is empty, Because it is perfect with emptiness, Because it's not even happening.

create an original and moving epic. "I want to be considered a jazz poet blowing a long blues in an afternoon jam session on Sunday. I take 242 choruses; my ideas vary and sometimes roll from chorus to chorus or from halfway through a chorus to halfway into the next." "A spontaneous bop prosody and original classic literature." - Allen Ginsberg; "Kerouac calls himself a jazz poet. There is no doubt about his great sensitivity to language. His sentences frequently move into tempestuous sweeps and whorls and sometimes they have something of the rich music of Gerard Manley Hopkins or Dylan Thomas" - The New York Herald Tribune

Jack Kerouac, who died in 1969 at the age of forty-seven, is renowned as the father of the "beat generation." His eighteen internationally acclaimed books -- including "On the Road, Doctor Sax, The Subterraneans," and "Lonesome Traveler" -- were important signposts in a new American literature. Here, in "Mexico City Blues," his only collection of poetry, his voice is as distinctive as in his prose; it roams widely across continents and cultures in a restless search for meaning and expression, giving the verse the unique qualities found in America's most distinctive contribution to music.

In this pioneering critical study of Jack Kerouac's book-length poem, Mexico City Blues—a poetic parallel to the writer's fictional saga, the Duluoz Legend—James T. Jones uses a rich and flexible neoformalist approach to argue his case for the importance of Kerouac's rarely studied poem. After a brief summary of Kerouac's poetic career, Jones embarks on a thorough reading of Mexico City Blues from several different perspectives: he first focuses on Kerouac's use of autobiography in the poem and then discusses how Kerouac's various trips to Mexico, his conversion to Buddhism, his theory of spontaneous poetics, and his attraction to blues and jazz influenced the theme, structure, and sound of Mexico City Blues. Jones's multidimensional explication suggests the formal and thematic complexity of Kerouac's long poem and demonstrates the major contribution Mexico City Blues makes to post-World War II American poetry and poetics.

Best known for his "Legend of Duluoz" novels, including On the Road and The Dharma Bums, Jack Kerouac is also an important poet. In these eight extended poems, Kerouac writes from the heart of experience in the music of language, employing the same instrumental blues form that he used to fullest effect in Mexico City Blues, his largely unheralded classic of postmodern literature. Edited by Kerouac himself, Book of Blues is an exuberant foray into language and consciousness, rich with imagery, propelled by rhythm, and based in a reverent attentiveness to the moment. "In my system, the form of blues choruses is limited by the small page of the breastpocket notebook in which they are written, like the form of a set number of bars in a jazz blues chorus, and so sometimes the word-meaning can carry from one chorus into another, or not, just like the phrase-meaning can carry harmonically from one chorus to the other, or not, in jazz, so that, in these blues as in jazz, the form is determined by time, and by the musicians spontaneous phrasing & harmonizing with the beat of time as it waves & waves on by in measured choruses." —Jack Kerouac

A treasury of mid-'50s road poems, intoxication poems, dharma verse, Canuck patois elegy, haikus, and blues.

## Read Book Mexico City Blues Jack Kerouac

Just as he upended the conventions of the novel with *On the Road*, Jack Kerouac revolutionized American poetry in this ingenious collection. Bringing together selections from literary journals and his private notebooks, Jack Kerouac's *Scattered Poems* exemplifies the Beat Generation icon's innovative approach to language. Kerouac's poems, populated by hitchhikers, Chinese grocers, Buddhist saints, and cultural figures from Rimbaud to Harpo Marx, evoke the primal and the sublime, the everyday and the metaphysical. *Scattered Poems*, which includes the playfully instructive "How to Meditate," the sensory "San Francisco Blues," and an ode to Kerouac's fellow Beat Allen Ginsberg, is rich in striking images and strident urgency. Kerouac's widespread influences feel new and fresh in these poems, which echo the rhythm of improvisational jazz music, and the centuries-old structure of Japanese haiku. In rebelling against the dry rules and literary pretentiousness he perceived in early twentieth-century poetry, Kerouac pioneered a poetic style informed by oral tradition, driven by concrete language with neither embellishment nor abstraction, and expressed through spontaneous, uncensored writing.

In 1952 and 1953 as he wandered around America, Jack Kerouac jotted down spontaneous prose poems, or "sketches" as he called them, on small notebooks that he kept in his shirt pockets. The poems recount his travels—New York, North Carolina, Lowell (Massachusetts, Kerouac's birthplace), San Francisco, Denver, Kansas, Mexico—observations, and meditations on art and life. The poems are often strung together so that over the course of several of them, a little story—or travelogue—appears, complete in itself. Published for the first time, *Book of Sketches* offers a luminous, intimate, and transcendental glimpse of one of the most original voices of the twentieth century at a key time in his literary and spiritual development.

A sensory narrative poem capturing the rhythms of the universe and secrets of the subconscious with stunning linguistic dexterity from the author of *On the Road*. A spontaneous writing project in the form of an extended prose poem, this sonorous and spiritually playful book is one of Jack Kerouac's most boldly experimental works. Collected from five notebooks dating from 1956 to 1959—a time in which Kerouac was immersed in Buddhist theory—*Old Angel Midnight* is comprised of sixty-seven short sections unified by an unwavering dedication to sounds, the subconscious, and verbal ingenuity. Friday Afternoon in the Universe, in all directions in & out you got your men women dogs children horses ponies tics perts parts pans pools palls pails parturiences and petty Thieveries that turn into heavenly Buddha. Thus begins Kerouac's Joycean language dance. From birdsong to dharmic verse, street jargon to French slang, the resonances of the universe come blaring in though the windows, unfurling their meaning as the mind lets go and listens.

William S. Burroughs arrived in Mexico City in 1949, having slipped out of New Orleans while awaiting trial on drug and weapons charges that would almost certainly have resulted in a lengthy prison sentence. Still uncertain about being a writer, he had left behind a series of failed business ventures—including a scheme to grow marijuana in Texas and sell it in

## Read Book Mexico City Blues Jack Kerouac

New York—and an already long history of drug use and arrests. He would remain in Mexico for three years, a period that culminated in the defining incident of his life: Burroughs shot his common-law wife, Joan Vollmer, while playing William Tell with a loaded pistol. (He would be tried and convicted of murder in absentia after fleeing Mexico.) First published in 1995 in Mexico, where it received the Malcolm Lowry literary essay award, *The Stray Bullet* is an imaginative and riveting account of Burroughs's formative experiences in Mexico, his fascination with Mexico City's demimonde, his acquaintances and friendships there, and his contradictory attitudes toward the country and its culture. Mexico, Jorge García-Robles makes clear, was the place in which Burroughs embarked on his "fatal vocation as a writer." Through meticulous research and interviews with those who knew Burroughs and his circle in Mexico City, García-Robles brilliantly portrays a time in Burroughs's life that has been overshadowed by the tragedy of Joan Vollmer's death. He re-creates the bohemian Roma neighborhood where Burroughs resided with Joan and their children, the streets of postwar Mexico City that Burroughs explored, and such infamous figures as Lola la Chata, queen of the city's drug trade. This compelling book also offers a contribution by Burroughs himself—an evocative sketch of his shady Mexican attorney, Bernabé Jurado.

Though raised Catholic, in the early 1950s Jack Kerouac became fascinated with Buddhism, an interest that would have a profound impact on his ideas of spirituality and their expression in his writing from *Mexico City Blues* to *The Dharma Bums*. Published for the first time in book form, *Wake Up* is Kerouac's retelling of the story of Prince Siddhartha Gautama, who as a young man abandoned his wealthy family and comfortable home for a lifelong search for Enlightenment. As a compendium of the teachings of the Buddha, *Wake Up* is a profound meditation on the nature of life, desire, wisdom, and suffering. Distilled from a wide variety of canonical scriptures, *Wake Up* serves as both a concise primer on the concepts of Buddhism and as an insightful and deeply personal document of Kerouac's evolving beliefs. It is the work of a devoted spiritual follower of the Buddha who also happened to be one of the twentieth century's most influential novelists. *Wake Up: A Life of the Buddha* will be essential reading for the legions of Jack Kerouac fans and for anyone who is curious about the spiritual principles of one of the world's great religions.
