NEW YORK TIMES BESTSELLER Thriller master Lee Child returns with an exclusive eBook novella. In the midst of a savage heat wave and an infamous murder spree, a blackout awakens the dark side of the city that never sleeps—and a young Jack Reacher takes action as only he can. Don't miss the exciting preview of Lee Child's highly anticipated Jack Reacher novel, Never Go Back! July 1977. Jack Reacher is almost seventeen, and he stops in New York City on the way to visit his brother at West Point. The summer heat is suffocating, the city is bankrupt, and the mad gunman known as Son of Sam is still on the loose. Reacher meets a woman with a problem, and agrees to help her . . . but then the power grid fails and the lights go out, plunging the lawless city into chaos. What does a visiting teenager do in the dark? If that visiting teenager is Jack Reacher, the answer is plenty. Praise for Lee Child and his Jack Reacher novels "Jack Reacher is the coolest continuing series character now on offer." Stephen King, in Entertainment Weekly "Like his hero, Jack Reacher, Lee Child seems to make no wrong steps." Associated Press "The truth about Reacher gets better and better." Janet Maslin, The New York Times "[A] feverishly thrilling series . . . With Child, you can always count on furious action." The Miami Herald "One of the best thriller characters at work today." Newsweek "Jack Reacher is much more like the heir to the Op and Marlowe than Spenser ever was." Esquire "Widely admired by other writers as a master craftsman of action thrillers." The Wall Street Journal

Are you looking for a fun gift for someone close to you? This is a perfect blank, lined journal for men, women, and children. Great for taking down notes, reminders, and crafting to-do lists. Also a great creativity gift for decoration or for a notebook for school or office! Your new journal includes Beautiful matte-finished cover Fresh white paper 108 pages 6x9 inch format We have even more wonderful titles that you'll enjoy! Be sure to click on the author name for other great journal ideas.

Des déserts glacés du Dakota du Sud jusqu'à son ancien bureau de la 110e unité de la police militaire de Washington DC, la route est longue, et particulièrement semée d'embûches. Mais après bien des péripéties, Jack Reacher se réjouit de bientôt pouvoir rencontrer son nouveau commandant en chef, le major Susan Turner. Après avoir expédié au tapis deux individus qui lui conseillaient fortement de filer s'il ne voulait pas être traduit en cour martiale, Reacher pousse enfin la porte du bureau de Susan pour y découvrir à la place un certain commandant Morgan. Ce dernier, après avoir informé Reacher que le major Susan Turner n'était plus là, lui apprend qu'il est accusé d'avoir tué un certain Rodriguez seize ans plus tôt, qu'il n'y a pas prescription et qu'il est rappelé en service actif. Pendant ce temps-là, un homme se faisant appeler " Romeo " ne cesse de téléphoner à un certain dénommé " Juliet " pour savoir ce qui arrive ou va arriver à Reacher. Ils se doutent que celui-ci va tout faire pour retrouver Turner qui, il vient de l'apprendre, a été déployée en Afghanistan la veille... sans y être jamais arrivée. Bel imbroglio. Et comme toujours dans les romans de Lee Child, ce n'est que le début des ennuis pour le justicier qui n'a peur de rien

et arrive toujours à ses fins. Même lorsque, comme dans ce récit salué comme l'un des meilleurs de Lee Child, les mauvaises surprises s'enchaînent.

NEW YORK TIMES BESTSELLER □ Get ready for the ultimate Jack Reacher experience: a thrilling new novella and eleven previously published stories, together for the first time in one pulse-pounding collection from Lee Child. No Middle Name begins with "Too Much Time," a brand-new work of short fiction that finds Reacher in a hollowed-out town in Maine, where he witnesses a random bag-snatching but sees much more than a simple crime. "Small Wars" takes readers back to 1989, when Reacher is an MP assigned to solve the brutal murder of a young officer found along an isolated forest road in Georgia—and whose killer may be hiding in plain sight. In "Not a Drill," Reacher tries to take some downtime, but a pleasant hike in Maine turns into a walk on the wild side—and perhaps something far more sinister. "High Heat" time-hops to 1977, when Reacher is a teenager in sweltering New York City during a sudden blackout that awakens the dark side of the city that never sleeps. Okinawa is the setting of "Second Son," which reveals the pivotal moment when young Reacher's sharp "lizard brain" becomes just as important as his muscle. In "Deep Down," Reacher tracks down a spy by matching wits with four formidable females—three of whom are clean, but the fourth may prove fatal. Rounding out the collection are "Guy Walks into a Bar," "James Penney's New Identity," "Everyone Talks," "The Picture of the Lonely Diner," "Maybe They Have a Tradition," and "No Room at the Motel." No suitcase. No destination. No middle name. No matter how far Reacher travels off the beaten path, trouble always finds him. Feel bad for trouble. Praise for No Middle Name "Captivating . . . classic [Lee] Child . . . This volume demonstrates what his fans already know: he's a born storyteller and an astute observer." Publishers Weekly (starred review) "Lee Child, like his creation, always knows exactly what he's doing—and he does it well. Time in his company is never wasted." Evening Standard

NEW YORK TIMES BESTSELLER □ "Jack Reacher is the coolest continuing series character now on offer." Stephen King, in Entertainment Weekly #1 New York Times bestselling author Lee Child follows the electrifying 61 Hours with his latest Reacher thriller—a story that hits the ground running and then accelerates all the way to a colossal showdown. There's deadly trouble in the corn country of Nebraska . . . and Jack Reacher walks right into it. First he falls foul of the Duncans, a local clan that has terrified an entire county into submission. But it's the unsolved case of a missing child, already decades-old, that Reacher can't let go. The Duncans want Reacher gone—and it's not just past secrets they're trying to hide. They're awaiting a secret shipment that's already late—and they have the kind of customers no one can afford to annoy. For as dangerous as the Duncans are, they're just the bottom of a criminal food chain stretching halfway around the world. For Reacher, it would have made much more sense to keep on going, to put some distance between himself and the hard-core trouble that's bearing down on him. For Reacher, that was also impossible. Worth Dying For is the kind of explosive thriller only Lee Child could write and only Jack Reacher could survive—a heart-racing page-turner no suspense fan will want to miss.

Former military cop Jack Reacher makes it all the way from snowbound South Dakota to his destination in northeastern Virginia, near Washington, D.C.: the headquarters of his old unit, the 110th MP. The old stone building is the closest thing to a home

Jack Reacher. Hero. Loner. Soldier. Soldier's son. An elite military cop, he was one of the army's brightest stars. But in every cop's life there is a turning point. One case. One messy, tangled case that can shatter a career. Turn a lawman into a renegade. And make him question words like honor, valor, and duty. For Jack Reacher, this is that case. New Year's Day, 1990. The Berlin Wall is coming down. The world is changing. And in a North Carolina "hot-sheets" motel, a two-star general is found dead. His briefcase is missing. Nobody knows what was in it. Within minutes Jack Reacher has his orders: Control the situation. But this situation can't be controlled. Within hours the general's wife is murdered hundreds of miles away. Then the dominoes really start to fall. Two Special Forces soldiers—the toughest of the tough—are taken down, one at a time. Top military commanders are moved from place to place in a bizarre game of chess. And somewhere inside the vast worldwide fortress that is the U.S. Army, Jack Reacher—an ordinarily untouchable investigator for the 110th Special Unit—is being set up as a fall guy with the worst enemies a man can have. But Reacher won't quit. He's fighting a new kind of war. And he's taking a young female lieutenant with him on a deadly hunt that leads them from the ragged edges of a rural army post to the winding streets of Paris to a confrontation with an enemy he didn't know he had. With his French-born mother dying—and divulging to her son one last, stunning secret—Reacher is forced to question everything he once believed—about his family, his career, his loyalties—and himself. Because this soldier's son is on his way into the darkness, where he finds a tangled drama of desperate desires and violent death—and a conspiracy more chilling, ingenious, and treacherous than anyone could have guessed. BONUS: This edition contains an excerpt from Lee Child's Make Me.

Joe Pike and his partner Elvis Cole must solve the murder of an old friend and his entire family in this gripping thriller from #1 New York Times bestselling author Robert Crais. When Frank Meyer and his family are executed during a home invasion, the police begin investigating the secret life they're sure Meyer had. Joe Pike's on a hunt of his own: to clear his friend's name, and to punish the people who murdered him. What starts out as a simple trail gets twisted fast by old grudges, double crosses, blood vengeance, and a crime so terrible even Pike and his partner Elvis Cole have no way to measure it.
