Content Management is the first book to guide you through planning and designing each phase of your information life cycle with SharePoint 2013. Author and SharePoint expert Steve Goodyear walks you through how to analyze and plan enterprise content management (ECM) solutions for an effective and end-to-end

Access PDF Sharepoint Doesn't Lifecycle

information design based on your organization's needs and business requirements. Inside, you will develop a full understanding of how SharePoint 2013 manages content including identifying and understanding your organization's information within SharePoint, collaborating on transitory content, and

Access PDF Sharepoint Doent Lifecycle

capturing and controlling your records. You'll get practical advice and best practice instruction for each phase of the information life cycle to guide you on designing your ECM strategy and implementing your own ECM solution. You learn how to: Apply a content life cycle model to analyze and understand your

Pro SharePoint 2010 Governance is the first

Access PDF Sharepoint Doesn't Lifecycle

book on the market focusing exclusively on the essential guidance necessary for leveraging SharePoint 2010 within your organization's intranet, extranet or Internet environment for maximum business value. Effective governance allows your organization to promote the adoption of SharePoint 's productivity-enhancing

Access PDF Sharepoint Doent Lifecycle

features while maintaining security and control over your organization's most vital information. Pro SharePoint 2010 Governance presents comprehensive guidance, from the basics of "What is governance?" to the detailed considerations of IT, information and application management. Using the conceptual

Access PDF Sharepoint Doent Lifecycle

framework promoted by Microsoft and augmented with detailed discussions, recommendations and checklists, you will have all the information you need to streamline the governance of your SharePoint sites. Teaches the concepts and benefits of SharePoint site governance. Discusses advanced features and techniques

Access PDF Sharepoint Doent Lifecycle

for implementing governance in your organization. Provides detailed recommendations, templates and checklists for jump-starting your governance effort.

You can have the best coders in the world working in your teams, but if your project management isn't up to scratch, your

Access PDF Sharepoint Doent Lifecycle

Management
project is almost certain to be delayed, to come in over budget, and in some cases to fail entirely. By taking precise control of your application development process, you can make changes, both large and small, throughout your project ' s life cycle that will lead to better – quality finished products that are consistently delivered on time and

Access PDF Sharepoint Doent Lifecycle

within budget. Application lifecycle management (ALM) is an area of rapidly growing interest within the development community. Because its techniques allow you to deal with the process of developing applications across many areas of responsibility and across many different disciplines, its effects on your project can be

Access PDF Sharepoint Doent Lifecycle

wide ranging and pronounced. It is a project management tool that has practical implications for the whole team—from architects to designers, from developers to testers. Pro Application Lifecycle Management with Visual Studio 2012 focuses on the most powerful ALM tool available for the Microsoft .NET

Access PDF Sharepoint Doent Lifecycle

Framework: Visual Studio Team

Foundation Server. It demonstrates the key concepts and techniques of ALM at first with a guide to the overall methodology, and then delves into architecture and testing--illustrating all of the concepts, tips and tricks using the tools TFS provides. The book serves as a complete guide to the ALM

Access PDF Sharepoint Doent Lifecycle

Management
style--with no fluff and many relevant code samples and examples. After reading the book, you will understand how TFS can be used to generate continuous meaningful reporting on your project ' s health for the decision makers on your team as well as for your project ' s sponsors.

Access PDF Sharepoint Doent Lifecycle

This book provides a fresh take on Microsoft ' s premier collaboration solution. A critical resource if you ' re developing on the SharePoint platform, this book features a complete focus on the new features and capabilities of SharePoint 2010. Through a thorough treatment of sites, web parts, data management, portal solutions,

Access PDF Sharepoint Doent Lifecycle

and business intelligence capabilities, you ' ll appreciate author Sahil Malik ' s concise yet highly readable text. With this book, you ' ll gain intermediate-level guidance for designing and deploying exciting business solutions based on Microsoft SharePoint 2010.
