At River Westlake Baptist Church, we share the Gospel message. We also preach God's word at each and every service, so people can believe, be saved, and then grow in their faith - to go forth into the community and do the same for others. River Westlake Baptist Church is like a Gospel outpost in an increasingly dark and deceived world.

The remarkable ministry of John the Baptist included the Baptism of Jesus in the Jordan River. John did not lack boldness as he challenged even Herod to repent of his sins. In approximately 29 AD, Herod Antipas had John the Baptist arrested and put in prison. Later John was beheaded through a plot devised by Herodias, the illegal wife of Herod and ex-wife of his brother, Philip.

Presents a collection of essays covering the history and characteristics of ten Baptist groups.

Jesus told His disciples not to leave Jerusalem without the Spirit's power. That same power to heal the sick and cast out demons is still relevant and available to every Christian who believes. From his thirty years of experience, W.K. Alsop answers such questions as: • Is the baptism in the Holy Spirit with the evidence of speaking in tongues for every believer today? • Is there a difference between the Spirit's baptism and the gifts of different kinds of tongues, the interpretation of tongues, and prophecy? • Why is there so much controversy in the body of Christ over this experience? • What are the benefits that come from this experience of the Spirit's baptism? • What is the power that I should expect to receive from this experience? The Holy Spirit desires to release this spiritual power through you as he did with the believers in the 1st century. Now is the time for you to pick up His mantle and demonstrate the power of the Holy Spirit in the 21st century!

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

" And it came to pass in those days, that Jesus came from Nazareth of Galilee, and was baptized of John in Jordan. And straightway coming up out of the water, he saw the heavens opened, and the Spirit like a dove descending upon him: and there came a voice from heaven, saying, Thou art my beloved Son, in whom I am well pleased - Mark 1:9-11 Beautifully illustrated for children, "The Baptism of Jesus, a story from the Jordan River" tells the story of the inspiring meeting between Jesus and his precursor, John the Baptist. The ancient Jordan River and the contemporary baptismal site "Yardenit on the River" perform a leading role as well. Yardenit provides the place for pilgrims to experience the presence of the Lord and renewal of their faith through Baptism in the Jordan River. The venue hosts over half a million visitors yearly, coming from the four corners of the earth. Most of them make a rededication of immersion; Some are baptized for the first time. For all, it represents the fulfillment of a dream: to immerse in the holy waters of the Jordan River, the very same waters in which John baptized Jesus. In addition to the remarkable illustrations of the historical events, in the book you will find photos of the baptismal pools and of the "wall of New Life" that encircles "Yardenit", bearing the verses of Mark in more than 100 languages and dialects. The author, Jim Reimann, was an ordained minister, Bible teacher, an editor and author. In his lifetime he led more than 25 pilgrimages to the Holy land.
