Before he can settle down, blond-haired, blue-eyed Robley of clan MacKintosh needs to taste true adventure. So when the faerie Madame Giselle asks him to retrieve her stolen property in exchange for two enchanted tokens that will whisk him across the centuries, he jumps at the chance. Nurse and future midwife Erin Durie is broke and alone, thanks to a roommate who skipped town and the psychic gifts that make relationships too intense and painful to bear. Then a kilted man magically drops into her arms, looking for a guide to the twenty-first century, and she can't deny the attraction. But magical treachery soon throws open time's portal once more—and puts a blade to Robley's throat. Now Erin must decide where—or when—her healing powers can do the most good...and whether she can live without her handsome Highlander. In the second thrilling Novel of Loch Moigh, award-winning author Barbara Longley delivers more of the action, adventure, and romance that began in the pulse-pounding True to the Highlander.

On the eve of her wedding, Sky Elizabeth, the earl of Fife's eldest daughter, learns of her betrothed's murderous plot against her. As she flees, Sky falls through a mysterious portal in time, landing at the feet of a twenty-first-century American knight. Struan, the bastard son of the earl of Sutherland, escaped death through time's portal once. Recognizing what has befallen the frightened woman, he vows to protect her even while Sky, with a trace of fae blood in her veins, senses his resentment. Despite their growing attraction, she's determined to find a way home to avert a clan war. Though he cannot deny his desire, he fears that helping her return to the past will surely lead to his demise. As the two work together, passion ignites and an unbreakable bond forms—but will it be enough to sustain them through the perils they'll face in the past? Can their love have a future?

A life hangs in the balance . . . A king held for ransom, a country under thumb, clans at one another's throats. Malcolm of clan MacKintosh has enough to worry about without finding a mysterious lass sleeping on the side of his road. He tries to help her — in his overbearing, arrogant way — and winds up flat on his back. God's blood, who is this woman . . . and why does she captivate him so? And only she can tip the scales. The fortune-teller said something about saving a life, then zapped Alethia Goodsky back to fifteenth-century Scotland — a land bristling with broadswords and intrigue. Alethia is no damsel in distress, though, even if brawny, blue-eyed Malcolm has sworn to protect her. With her wits and special abilities, she races to solve the gypsy's mystery and protect those she's come to love. The stakes climb higher and enemies close in, forcing Alethia to choose between finding her way home . . . and staying true to her Highlander.

Johanna Templeton is on a life-and-death quest. Swept into an intrigue that rivals the tales she pens, she joins forces with a Highland rogue to find the treasure that will save her kidnapped niece—a prize the Scot seeks for reasons that have nothing to do with ransom. Engaging the Highlander in a sizzling battle of the sexes, Johanna shields her heart. Connor MacMasters, spy for Queen Victoria, is a man on a mission—keep a legendary gemstone from an evil man. Trailing an American novelist who holds the key to the treasure should've been simple, but Johanna awakens feelings he'd long thought dead. Torn between duty and desire, he wants her in his bed, but loving her would be a fool's game. Blasted shame his heart doesn't agree. Each book in the Highland Hearts series is STANDALONE: * The Highlander Who Loved Me * Lady Evelyn's Highland Protector * Tempting the Highland Spy

After her long-time boyfriend breaks up with her, Sloane Chatfield's well-meaning friends are so determined to put her back in the saddle that they're borderline obnoxious. When Sloane insists she's waiting for Jamie Fraser to come along, her friends surprise her with a trip to Scotland... to find her a new boyfriend. In order not to have her vacation ruined, Sloane is determined to pre-empt them. All she has to do is find the most remote part of the Highlands, get there first, find a Scot who will pretend to be her boyfriend, then break-up before they arrive. She figures no friend will try and match her up while she's nursing a second broken heart. Galen Buchanan has his hands full trying to keep the family pub afloat in a remote Highland village. Everything is falling apart, he's running out of money, and now there's a buttoned-up American princess that has, for some reason, landed on his doorstep.... and takes his best table and hogs his wifi all day. She may be cute, but she's also full of free advice and doesn't like the way they do things in the Highlands. Then she proposes something completely outrageous—that he be her pretend boyfriend...and offers him enough money to save the pub. It's only for a few days, he figures. What's the worst that could happen?

A time-travel romance for fans of Diana Gabaldon and Hazel Hunter. To set him free from an ancient curse, she must travel to a time of myth and legend... Regan MacCarthy's ability to see ghosts is a gift inherited from her Irish ancestors, but it's one she'd dearly like to give back. In an attempt to return her powers to their source, she travels to Ireland to harness the ancient magic that still permeates the mystical site of Newgrange. Instead, something far more unexpected awaits her: a strapping, gorgeous stranger who insists he's a centuries-old Celtic warrior. Feln was one of Fionn MacCumhaill's elite soldiers before being cursed by a resentful fae princess. The only way to free himself is to fall so deeply in love that he'd sacrifice his life. Not an easy matter when he's invisible to most. Yet Regan sees him--not just the proud, handsome warrior on the surface, but the complex man beneath. Only when it's too late does Feln realize that drawing this beautiful mortal into his world has endangered them both, and may destroy the happiness he's waited an eternity to claim...
